**SUBJECT: ALMA FAMILY SERVICES CONTRACT REVIEW – WRAPAROUND
APPROACH SERVICES PROGRAM**

We have conducted a fiscal review of ALMA Family Services (ALMA or Agency), a Wraparound Approach Services (Wraparound) Program provider.

Background

The Department of Children and Family Services (DCFS) contracts with ALMA, a private non-profit community-based organization, to provide and operate the Wraparound program. The Wraparound program is a family-centered and needs-driven program providing individualized services to children and their families such as, therapy, housing, educational and social assistance. The target population for the Wraparound program includes children who are currently or at risk of being placed in a Rate Classification Level of 12 to 14 group home, Metropolitan State Hospital, etc. ALMA is located in the First District.

DCFS paid ALMA on a fee-for-service basis \$4,184 per child, per month. DCFS paid ALMA approximately \$36,000 for the first four months of Fiscal Year 2006-2007. This is the first year that ALMA is providing Wraparound services.

Purpose/Methodology

The purpose of the review was to determine whether ALMA complied with its contract terms and appropriately accounted for and spent Wraparound funds in providing

"To Enrich Lives Through Effective and Caring Service"

services to children and their families. We also evaluated the adequacy of the Agency's accounting records, internal controls and compliance with federal, State and County guidelines.

Results of Review

Overall, ALMA provided the services in accordance with the County contract. ALMA's program expenditures were allowable, properly documented and accurately billed to the Wraparound program as required. In addition, ALMA generally maintained appropriate internal controls over its business operations. We noted minor areas for improving internal controls.

The details of our review along with recommendations for corrective action are attached.

Review of Report

On April 3, 2007, we discussed our report with ALMA who agreed with the findings. In their attached response, ALMA management indicates that the Agency will incorporate the recommendations into their procedures. We also notified DCFS of the results of our review.

We thank ALMA for their cooperation and assistance during this review. Please call me if you have any questions or your staff may contact Don Chadwick at (626) 293-1102.
